It's easy to install Bauwerk. Please launch the MiniFreak V and go to „Import“ and select the file „MiniFreak V\_Bank\_Bauwerk.mnfx“. Yes, this is the sound bank!

If you want to send it to your hardware synth please go to MINIFREAK (on the left side of the browser section - see screen A below) and choose a free place (Sound No. 400 for example) and click the right mouse-key.
