

Super Hybrid is a collection of 80 new presets for the software synthesizer SQ80 V by Arturia. You get a soundware which is carefully designed for electronic and pop music. Thanks to the effect section and new features this sound pack goes new ways for interpreting the Ensoniq SQ-80, ESQ-1 and VFX. It creates a bridge between retro and current music with a mix of analog and digital sounds. The presets are easy to play and can be musically controlled by velocity and modulation wheel. Have fun with these sounds for your Arturia SQ80 V!
